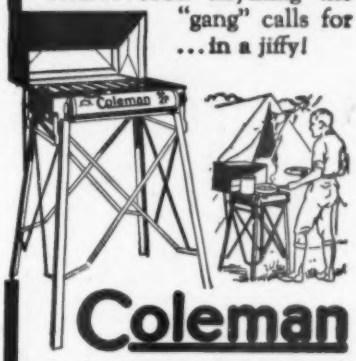
"The Smooth Way to Rough It!"

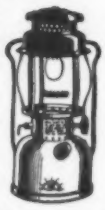
Take a Coleman Camp Stove along when you go auto-touring, picnicking or camping. Enjoy tasty meals cooked on a miniature gas stove. Fry, bake or boil; roast, toast or broil . . . cook anything the "gang" calls for . . . in a jiffy!



Coleman
CAMP STOVE

Wherever you go . . . no matter what your appetite demands . . . you'll find the Coleman a dependable "pal". Coleman Camp Stoves make and burn their own gas from regular gasoline. Good looking and sturdily built to stand hard knockabout use. Fold up like a suitcase with everything inside. Easy to operate, speedy, safe. Priced from **$5.95** up; high stand extra.

Good Light!



On any kind of an over-night outing or prolonged trip you'll need this new Coleman Lantern. It's just naturally "made-to-order" to supply plenty of light any night. Instant-lighting . . . single mantle type . . . provides up to 150 candlepower of pure white light in any wind or weather. Small in size . . . big in brilliance. Makes and burns its own gas from regular gasoline. Storm-proof, insect-proof.

Price only $5.95
